

PARTY TRICK

2012 16.2hh Bay SHB(GB) Champion Stallion

Party Trick was bred by Nick Gauntlett to be a competition horse; he is showing the same desirable traits as his sire Chilli Morning.

His dam DHI Party Piece is proving a first class broodmare having produced DHI Zulu, an international showjumper currently jumping 1.30's in Holland, and won international 6YO classes in 2015.

Party Trick's impressive movement, rhythm, jump and scope combined with his fantastic temperament make him an exciting sire for the next generation.

'I love this horse and have been searching for another stallion to fill Chilli Morning's stable, for obvious reasons I have been incredibly fussy, but it appears we have now bred one that the industry experts like as much as we do.' Nick Gauntlett
